31 UNITED STATES DISTRICT COURT

32 DISTRICT OF ARIZONA

33 IN RE: Bard IVC Filters Products
34 Liability Litigation,

35 No. 2:15-MD-02641-DGC

36 **THE PARTIES' JOINT REPORT
37 ON THE SETTLEMENT STATUS
38 OF CASES**

1 Pursuant to Case Management Order No. 42 (Doc. 164343), the parties submit this
2 monthly report concerning the settlement status of cases pending in this MDL:

3 **I. TRACK 1 CASES**

4 On July 26th, the parties provided the Court with a list of cases that have been
5 resolved in principle pursuant to an executed release or term sheet (Doc. 19798-1). The
6 parties have begun filing dismissals in those actions. However, that process has been
7 delayed because Mr. Dave Matthews and Mr. Tim Goss, the two plaintiffs' attorneys who
8 organized most of the settlements, have been on trial for the past month. As a consequence,
9 the defendants are separately filing a motion requesting an extension until December 1,
10 2019 to complete the filing of dismissals.

11 **II. TRACK 2 CASES**

12 On July 26th, the parties provided the Court with a list of cases that are the subject
13 of substantive settlement negotiations, with a likelihood of ultimately settling (Doc. 19798-
14 2). On September 4, 2019, the parties filed their Joint Report on the Settlement Status of
15 Cases (Doc. 200061) with a list of cases from Track 2 that should be moved to Track 3.

16 Attached as Exhibit "A" is a list of cases that are now resolved in principle, and
17 should be allowed to remain in Track 2 until May 1, 2020, as contemplated by Case
18 Management Order No. 42 (Doc. 16343).

19 For the reasons set forth in the separately filed motion for an extension of time, the
20 defendants request an additional thirty (30) days to complete their review of medical records
21 and to attempt to reach a final resolution of the remaining Track 2 cases.

22
